Citizen's /Client's Charter

ICAR-Directorate of Mushroom Research
Chambaghat, Solan (H.P.) – 173213
dmrsolan.res.in

Vision

To bring about mushroom revolution in the country and to promote eco-region specific integrated farming for economic and ecological sustainability.

Mission

- To popularize mushrooms in all parts of the country with long-term sustainability by way of integrated mushroom farming, recycling of agro-wastes through mushroom production and use of spent mushroom substrates as organic manure, animal feed and fuel
- To generate technologies for ameliorating poverty through self-employment and to ensure socio-economic as well as nutritional security
